

OUR MISSION

Our mission with Farm Fest Manitoba Outdoor Ag Show Inc. is to bring like-minded people together with the purpose of working, sharing, learning and growing together to feed and enrich Manitoba and the World.

Our goal is to promote innovation and diversification in the farming community with the newest technology and science in our ever growing agricultural production, processing and manufacturing industries.

Doug Cramer and Kelly Turcotte have been involved directly with Agricultural Ag Business and Ag Events for over 30 years combined. We take a lot of pride in our Own Show “Cramer Ag Expo” in Swift Current and have raised over \$150,000.00 for Charity at this Agricultural Trade Show.

We believe that Farm Fest Manitoba will be the most talked about Ag Production Show in 2019 and into the future
